

Reports, report contributions and project outputs

2024

Atkinson, T., Bray, J., Barrett, J. (2024). Holdenhurst Evaluation of Community Link Worker Role – Final Report. Association for Dementia Studies

Crossing the Line booklets (2024). <https://caringhelp.on.worc.ac.uk/>

- Why does having dementia make personal care difficult?
- Dealing with complex emotions
- Common physical issues that impact on personal care
- Legal and financial issues
- Changes to the home environment to make personal care easier
- Strategies that will help make giving personal care easier in the long term
- Staying strong in the long term
- Help with continence and using the toilet
- Help with washing, showering, and bathing
- Help with teeth and dentures
- Help with dressing and undressing
- Help with eating and drinking
- Help with personal appearance
- Help with caring for hands and feet
- Supporting good hearing and vision
