WORCESTER

JOURNEYING FORWARD:

An Early Headship Leadership Community - Cohort 2

This funded programme offers a safe, supportive environment to explore your leadership journey alongside experienced facilitators. You will have the opportunity to think in new ways, reflect deeply and energise your sense of purpose.

'I have found the sessions extremely useful and, in a busy and sometimes lonely role in school, it has allowed me time to feel supported yet equally challenged.' Headteacher

Structure

- 4 X 3 hr Collaborative Leadership Meets – facilitated face to face.
- Access to research, leadership tools and strategies.
- Optional –Group Coaching Circles- online.
- Optional reciprocal visits to settings involved.

Benefits

Throughout the year, cohort members will benefit from regular spaces to:

- Participate in carefully structured activities focused on enhancing learning and leadership repertoire.
- Connect with and have honest conversations with school leaders at a similar stage in the leadership journey.
- Reflect individually and collectively to grow leadership capability and individual potential.
- Receive encouragement and support to help keep the purpose and passion alive through the complexity of the journey.

Expertise

- Programme led by expert, knowledgeable facilitators who are neutral and impartial.
- Programme facilitators are trained, experienced leadership coaches.
- Extensive and successful knowledge of helping leaders at all stages of their leadership Journey.
- Focused on nourishing, motivating and supporting leaders.

Eligibility

To be eligible for this funded leadership support you must be

- Within your first five years of headship.
- In a state funded school in Herefordshire or Worcestershire.
